

M. U. S. AND U. T. MEET; CENTRAL HIGH WINNER

Red and Blue Machine Going Up Against Strong Opponents at Hodges Field—Green and Gold Show Well-Balanced Attack and Come Away Victorious, 19-0.

BY BOB PIGUE.

The stage is set for what should prove the best gridiron attraction of the year. Memphis University school, with one of the greatest eleven in the history of the Madison avenue knowledge factory, is meeting the strong University of Tennessee Dentals at Hodges field, starting at 3 o'clock. Outweighed several pounds to the man, with many stars of former years being represented upon the opposing team, the M. U. S. eleven is looking for the toughest battle of the year.

Coach Buckingham, of M. U. S., is not underestimating the strength of the Dentals, and has groomed his men for a stiff struggle all the way. He knows that weight goes a long way and that the battering of the Dentals is going to test his outfit to the limit. However, Buck feels confident that his team, although outweighed, will show its superiority in carrying the ball, counting on the speed of his men to make up for the handicap they will be facing in being out-weighted.

JOE GRONAUER READY.

Coach Joe Gronauer, who is captain and quarterback for the Dentals, says his men are in great shape and primed for a hard struggle. He is not holding the M. U. S. team cheaply, and is counting on his machine being tested to the limit of their endurance before the final whistle blows, for although his team carries more pounds, it will be up against the proposition of hauling down the speedy youngsters who will be depended upon to carry the ball for M. U. S.

Coach Buckingham, of M. U. S., has lined up quite a few plays which he figures will result in his team crossing the goal line of the Tennessee outfit, and intends cutting loose a gang of trick stunts before the game is over.

It promises to be a whale of a battle throughout.

C. H. S. WINS, 19-0.

In Friday's battle at Hodges field, Central high school routed Tech, 19-0. Tech High team, coming away with the top-sided score of 19 to 0. Three touchdowns and one goal after touchdown netted the Green and Gold their tally.

Tech was not only outclassed, but was outgeneraled, the work of Quarterback Zent in handling his men being on a much higher order than that of Quarterback Grogan, of Tech, who made several mistakes before the matinee was over. However, it was said for the Yellow Jackets, a team that they fought a brilliant battle throughout, and went down gamely and battling to the last.

Central High got started early, and in the first period they scored two touchdowns after seven minutes had elapsed. Tech kicked off to C. H. S., and the Green and Gold warriors returned the ball to the 20-yard line by a series of line plunges by York, Moore and Taylor. It was Taylor who skirted right end for 20 yards and there followed a series of plunges against the line, which placed the ball being placed on the 40-yard line. Zent carried the oval over on a back through right tackle for a touchdown. Jeffries kicked following.

Early after the kickoff following touchdowns, C. H. S. started another offensive, with Zent taking 20 yards around end, and a series of line plunges taking the ball to the 40-yard line. York was then depended upon to carry the ball over, and he was equal to the occasion, making five yards on his first attempt, and then going over for the remaining yard upon his next start. Jeffries failed to kick goal.

TECH THREATENS.

Tech threatened on several occasions, but seemed unable to muster the final push to cross the Green and Gold goal line. Early in the second period Tech started an offensive and battered their way yard by yard, until they had placed the ball down the field to the 40-yard line, where the Green and Gold defense stiffened, and the ball went over on downs.

Tech apparently used up all of its strength in getting the ball in the shadow of the C. H. S. goal posts, and had nothing to depend upon to muster the final push, which would have netted a score. The score at the end of the first half was 13-0 for C. H. S.

In the third quarter Tech started in to use some aerial work, but this proved disastrous, for C. H. S. was on the alert, and several of the passes were intercepted. The final touchdown of C. H. S. was the direct result of an intercepted forward pass by Taylor. Tech had the ball upon their own 10-yard line, having held C. H. S. for down, and the play was for Tech to kick, but Quarterback Grogan, of Tech, called for a forward pass, when every man in the stands figured that an end or a kick would have been the proper procedure. The pass was overhauled by Taylor, who returned the ball to Tech's 20-yard line. It was an easy matter for Hughes to go through left tackle for the third score. The period ended with the ball in midfield.

In the final quarter the two teams battled on even terms, with Tech trying some overhead work, but with little success. The game ended with the ball in the possession of C. H. S. on Tech's 35-yard line.

SPECTATORS BATTLE.

The game was delayed in the final period on account of a battle on the sidelines between two fans, who staged a regular fist-and-skull skirmish, which resulted in fans flocking all over the field and making play impossible until the field had been cleared. One of the belligerents received a knockout blow on the jaw and went down and out for a count of 57. He was still plying daisies when carried away in an ambulance.

The largest crowd of the year was in evidence. The C. H. S. footers, in light-colored uniforms, Friday night, trying all downtown streets.

JOE DONLEY MAY GIVE DEMPSEY A BIG SURPRISE

Newark Bantam Confident He Will Beat Local Youngster. Norfolk Counting on Stopping Gahee in Monday Mill.

Joe Donley, Newark bantam, who meets Young Jack Dempsey, of Memphis, in an eight-round bout at the Southern Athletic club Monday night, believes he will be able to give Young Dempsey the greatest trimming of his career when he squares off Monday night. Donley, who is fast and a hard hitter, has been training hard each day, and says he will be ready to stop fast when he gets in the ring with Dempsey. Donley is a veteran ringster of considerable experience, and figures he will outgeneral Dempsey in the ring.

Young Dempsey has not lost a decision since he has been fighting windups. Referee Billy Haack's verdict in the Jimmy Kelly bout was a draw, which is the nearest Dempsey has come to losing. He is fighting well at present and expects to keep his winning streak intact when he meets Donley. The boys will weigh around 112 pounds when they strip for action.

NORFOLK CONFIDENT.

Battling Norfolk, negro heavyweight, who meets Battling Gahee, of Kansas, in an eight-round mill, says he is going to knock Gahee for a goal when they meet Monday night. Norfolk has beaten Gahee and is confident that he will be able to put him away for the long count.

On Norfolk's last start, which was last Monday night he slugged George Godfrey, a giant Mobile negro, into submission in five rounds. Norfolk gave away about 20 pounds and then beat Godfrey, and says he can do the same thing when he tackles Gahee. There will be two four-round bouts and a battle royal on the same card.

WEAVER, RISBERG AND MULLIN STILL PROTEST INNOCEENCE OF CHARGES.

CHICAGO, Nov. 6.—The Cook county special grand jury in its final report in the investigation of the baseball scandal was presented today to Chief Justice Charles A. McDonald containing a complete report of its findings during the month and a half it has been investigating into the connection of gambling with baseball. Recommendations for the punishment of the players were included in the report, it is understood.

Three of the indicted White Sox players, George "Buck" Weaver, Fred McMillin and Charles "Swede" Anderson, were found of guilty early in criminal court yesterday, protesting their innocence of any participation in the fixing of the world's series. PRINCETON READY TO TACKLE HARVARD

Tigers Confident of Breaking Long Winning Streak of Crimson.

CAMBRIDGE, Mass., Nov. 6.—The Princeton Tigers came to the stadium for the annual gridiron contest with Harvard today, confident of breaking the string of Crimson victories that extends back to 1912, with the exception of a 10 to 10 tie game last year. Neither team has been defeated this season.

Harvard, largely by virtue of its victory over Centre college, ruled a favorite.

Princeton was outweighed an average of about five pounds to the man, but the Jersey men were credited with a greater average speed than their opponents. The Crimson was without the services of Sedgewick, first string tackle, but like Princeton, was well off for substitutes, should the need for them arise.

DEMPSEY SIGNS TO MEET CARPENTIER

Heavyweights Attach Names to Contract and Will Come Together Early in 1921—Jack Gets \$300,000, Georges \$200,000 As End—Referee and Date To Be Named.

NEW YORK, Nov. 6.—Jack Dempsey and Georges Carpentier signed a contract here yesterday to fight for the world's heavyweight championship for a half-million-dollar purse. The date and place of the contest is not specifically stated in the agreement, but in other respects the contract is complete and definite.

Dempsey is to receive \$300,000 for defending the title. Carpentier, who holds the European heavyweight championship, will receive \$200,000 as his share of the purse. Each fighter in addition is to hold 25 per cent of the moving picture corporation stock while the other 50 per cent goes to three joint promoters, Tex Rickard, Charles Cochran, of London, England, and William A. Brady. The \$500,000 purse is to be deposited with a bank or trust company, located near the scene of the battle, at least 24 hours previous to the contest, and will be divided between the principals immediately after the termination of the fight.

Each fighter, through his manager, must post a \$50,000 forfeit on or before Nov. 20, to be divided equally between the principals and the promoters, if he fails to keep his part of his contract. The promoters also agreed to deposit \$100,000 on or before the same date, to be divided equally between the principals should the promoters fail to carry out their part of the contract.

The promoters agree to notify the principals not later than Jan. 1 in case the fight is to be held during the month of March 1921. If it is decided before the end of the month of May 1 and July 4, Dempsey and Carpentier are to be notified not later than March 1. The contract calls for a contest running from 10 to 15 rounds to be held at a place to be selected later, either in the United States, Canada, Mexico or Cuba. Numerous minor conditions hinge upon the rules governing boxing in the place finally selected. These include the weight of the gloves, the referee and judges, bandages and manner of awarding the verdict.

The parties to the contract submitted a list of five names from which it is proposed to select the referee and judges with a proviso that in case the bout is held in a place where boxing is controlled by a state commission, the selection must be satisfactory to said commission. The names offered for the positions are Robert E. Kohn, William Brown and James J. Corbett, of New York; James J. Jeffries, of Los Angeles; Otto Fio, of Kansas City, and James P. Dugherly, of Philadelphia.

Edgren is Arbitrator.

Edgren is also made sole arbitrator of any disputes which may arise between any of the contracting parties with final authority to decide and award any distribution of the forfeit.
